After receiving a written Report by the Technical Delegate (Doc nº. 6.1) well after the publication of the official List of Crews authorized at the start, the Stewards have considered the following:

Facts: At pre-Scrutineering it was found that Car # 406 had documents, which were not complying with the T4 Class in which the Participant entered.
The vehicle has a T3 passport, so it should have been entered as a T3 group vehicle.

Decision:

- to transfer the Participant # 406 in T3 Class

Reason:
Taking into account that
- the Competitor # 406 was entered in T4 Class having no complying documents
- due to an error of the Competitor he was entered as a T4 group vehicle with documents complying with T3 Class

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
